Dear Shresth Mishra,

Welcome to Open Source India 2022.

At EFY, we not only promote latest technologies through our magazines and events but deploy them too. This Self-Printed Badge is an example. You don't need to stand in any queue with this badge.

You can simply print it at your home/office, pick up the lanyard at the venue and walk straight into the expo hall.

IMPORTANT: Please make sure that the Bar Code area is not damaged/folded, else a print will need to be generated from the Registration Desk.

Looking forward to welcoming you at Open Source India 2022, which is happening from 29 to 30 September at NIMHANS Convention Centre - Bengaluru..

Yours truly,
Team, Open Source India

PS: if you forget this Self-Printed Badge, then you can always get a badge by visiting the Pre-Registered section of our Registration Counters

You can fold your ticket like a letter and then fold it again in the middle so that the name of the ticket-holder is on the front.
